

NEW & NOTABLE

What's New This Week, from Our List Members

Gufam miniaturizes its best-sellers, ALPI presents "Tre Primitivi," and more.

BY LAINEY SIDELL

November 12, 2018

New & Notable is a cultural catchall that highlights interesting new products and projects made by our brilliantly creative List members. With new releases, events, and technologies, List members' New & Notable moments are indicative of the power our members have to move the needle in all realms, whether innovating through architecture, fashion, hardware, or any medium.

Each brand below is a member of [The List](#), the destination for all things Surface-approved. [Want to join The List? Contact our team to find out how to apply.](#)

"Tre Primitivi" by Alessandro Mendini presented by ALPI

ALPI is presenting an exhibition honoring Alessandro Mendini, which includes three exclusive pieces of furniture using the re-edition of his wood pattern first designed for the company in the nineties. On view through Dec. 20 at Showroom ALPI in Milan.
